

Intelligent Waves Appraised at CMMI level 3

Reston, VA (February 8, 2017)—Intelligent Waves LLC today announced that it has been appraised at level 3 of the CMMI Institute’s Capability Maturity Model Integration (CMMI)®.

The appraisal was performed by Ace Guides. CMMI is a capability improvement framework that provides organizations with the essential elements of effective processes that ultimately improve their performance.

An appraisal at maturity level 3 indicates the organization is performing at a “defined” level. At this level, processes are well characterized and understood, and are described in standards, procedures, tools, and methods. The organization’s set of standard processes, which is the basis for maturity level 3, is established and improved over time.

The Intelligent Waves LLC Chief Operating Officer had the following to say about the appraisal, “It was truly a team effort! We have taken another step to set Intelligent Waves apart from other companies and more importantly, never sitting back in a comfort zone.”

Intelligent Waves LLC (IW) is certified (CVE) Service Disabled Veteran Owned Small Business (SDVOSB) with expertise in information technology located in Reston, Virginia. Visit us at www.intelligentwaves.com
